Project HOME -

The Gloria Casarez Residence includes 30 one-bedroom units of affordable housing targeted to young adults (age 18-23 at entry) who are homeless, have experienced homelessness, or are at risk of homelessness (including those aging out of foster care), and is LGBTQ-friendly. Residents benefit from a combination of housing, employment, education, and healthcare-related services, in addition to case management, life skills, and community-building activities.

AIDS Fund Philly -

The focus of all of our programs is to help achieve this goal. Our From All Walks of Life Fund supports the most vulnerable people living with HIV through financial assistance grants during times of crisis.

Leather Archives & Museum -

Making leather, kink, BDSM, and fetish accessible through research, preservation, education and community engagement.

The M/s Gathering

The M/s Gathering is an opportunity to escape the distractions and provide you with a warm and relaxing place to focus on the things that matter the most - you, your relationships, and finding your place in the community.

Our purpose is two-fold:

- 1) to offer discussion and fellowship to enrich our attendees' understanding of power/authority exchange relationships, and
- 2) to provide a place where like-minded individuals can share their struggles and triumphs.

We respect diversity of choices, opinions and experiences. It is our belief that this diversity provides us with the greatest opportunities to learn.

And he said,
'Your pain is the breaking of the shell
that encloses your understanding.
Even as the stone of the fruit must break,
that its heart may stand in the sun,
so must you know pain.'
